Ampliación:

Wednesday, July 16th, at 8:00 a.m., rooms 213-214 LE

The exam includes a **written section** that evaluates theory on informative speeches and group discussions, vocabulary from the readings, theory on phonetics: consonants (place of articulation, manner of articulation, voicing), consonant substitution, and word stress, transcriptions of key words included in readings and course materials (course packets) **(30%)** and an **oral section** that consists of presenting a prepared informative speech **(70%)**. If you are taking the exam, please you must send your topic via email (rosalba.rojas@ucr.ac.cr) the latest on **Wednesday, July 9th**.

The guidelines for “ampliación” are on Mediación in the section Ampliación.
