Ampliación:

Wednesday, December 10th, 8:00-12:00, room 213 LE

The exam includes a **written section** that evaluates theory on informative speeches and group discussions, vocabulary from the readings, theory on phonetics: consonants (place of articulation, manner of articulation, voicing), consonant substitution, and word stress, transcriptions of key words included in readings and course materials (course packets) **(30%)** and an **oral section** that consists of presenting a prepared informative speech **(70%)**.

The guidelines for “ampliación” were sent to you via email.
